Convenience and Necessity.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Santee Carriers, Inc. (Santee) for a continuance of the hearing scheduled for June 24, 1993 at 10:30 A.M. Santee asserts its witness is scheduled to be out of the country on June 24, 1993, and that its counsel has a judicial proceeding on the afternoon of June 24, 1993.

Glasscock Company, Inc. (Glasscock) has filed a response opposing the continuance. Glasscock, however, asserts it will alter the presentation of its case to accommodate Santee's witness.

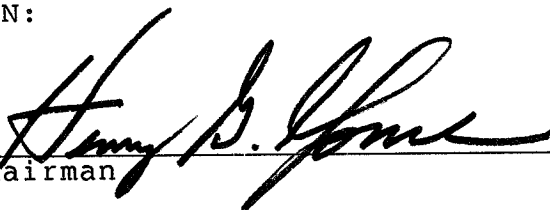

The Commission has reviewed Santee's request and Glasscock's response and concludes that the Motion for a Continuance should be denied. The docket file in this matter indicates that Santee was notified of the date and time for this hearing in March 1993. Further, the Commission notes that Glasscock has stated a willingness to accommodate Santee's witness' schedule. For these
